Dear Hiring Manager, I am a second-year Software Engineering student at Ben-Gurion University with a strong foundation in Python, Java, and SQL. I am eager to apply my technical skills in a Full Stack Developer position at Waterfall Security Solutions. My academic background and hands-on projects have equipped me with the necessary skills to contribute effectively to your team. I am particularly drawn to this opportunity as it aligns with my career goals and passion for software development. I look forward to the possibility of discussing how I can contribute to your innovative projects. Thank you for considering my application. Sincerely, [Your Name]
